Peonies and Iris

Miller's Peony Gardens

Wholesale List Fall 1927

PEONIES

MILLER'S PEONY GARDENS ARE THE LARGEST
WEST OF THE ROCKY MOUNTAINS

The peonies we are offering in this list are all standard commercial varieties. They are good, heavy, divided roots, with from three to five eyes, such as we send our retail customers.

Try some of these choice plants for your retail trade as they will be sure to please your customers. Should you wish to line them out in your nursery row, many of them can be subdivided, thus swelling the number of your plants materially.

We usually begin our Fall shipments about the 1st of October.

50 at 100 rate; 500 at 1000 rate.
